

The Secretary-General

Geneva, 18 September 2025

Mr. Axel Mazolo-Nkina
Founder
Geneva AI Governance Institute
Switzerland

Dear Mr. Mazolo-Nkina,

It is my great pleasure to officially welcome Geneva AI Governance Institute to the ITU family as an ITU-T Sector Member and ITU-D Associate of Study Group 2.

As the United Nations specialized agency for information and communication technologies, ITU's global membership brings together 194 Member States as well as more than 1,000 companies, universities, and international and regional organizations. In doing so, ITU provides a unique, trusted, and global multi-stakeholder platform for partners from the public and private sectors to address major ICT issues.

The Telecommunication Standardization and the Telecommunication Development Bureaux will advise your team on the practical aspects of this participation.

I am certain that your team will find great value in being part of ITU, and I look forward to a long and prosperous relationship.

Yours sincerely,
